

## **Travel Policy Due to Covid19** updated Nov 1 2020

Our Travel Policy requires families who traveled to other states with more than 9% COVID positivity rate & to countries outside of the United States with High Level of Covid19 to **complete 2 weeks quarantine and COVID testing prior to returning to school**. You can find the State Positivity Rates in the [link here. https://covid.cdc.gov/covid-data-tracker/#testing\\_testsperformed](https://covid.cdc.gov/covid-data-tracker/#testing_testsperformed)

**That means that if you are traveling to Israel or certain states within the United States to visit family during the holidays please quarantine for 2 weeks and get COVID tested before returning to school.**

**Here are the CDC guidelines for travelers returning to the US from countries outside the USA.** <https://www.cdc.gov/coronavirus/2019-ncov/travelers/after-travel-precautions.html>

It is important that all members of our community strictly adhere to guidelines and recommendations from the Maryland Department of Health. Please [click here to review the Travel Advisory](#) from the State of Maryland.

As noted, any person returning from out of state travel should get tested for COVID within 72 hours of arrival to Maryland. In addition, any Marylander who travels to a state with a COVID-19 test positivity rate above 9% should get tested and self-quarantine at home until the test result is received. You can find a list of [state positivity rates here](#).
